Thanks for your participation and for making the fourth running of 7QP an unqualified success. Attached are PDF files containing your certificates for K7A:

Second place - 7th-Area County Expedition Multi-Multi  
First place - Coconino County, Arizona  
First place - Yavapai County, Arizona

Please let us know if you're unable to print them.

A summary write-up, posted today, and the detailed 2009 results are available at <http://7qp.org>.

Along with the committee and volunteers, we look forward to working you again in 2010 and beyond.
